BILLY RAY--Mr. Cox spoke to the Council concerning the new student center. The cost will be approximately \$850,000. Construction may be started in March or April. Mr. Cox asked us about student involvement in the phone marathon. There are six phones set up in the Trophy Room. Faculty members are in the process of phoning alumni from 6 till 11 p.m. each night. The Executive Council will compile a list of students to do the phoning and ask Campus Congress to help compile a list of prospects to phone. These can be friends of the students who may be interested in helping on funds for the student center. Skitch and Brenda will work on the thermometer.

JOHN BRUNNER--John has received the information about the P.O.W.'s. He has received bracelets that are engraved with the name of a prisoner and the date he was captured. These bracelets are to be worn until the prisoner has been released or information about him has been received. John will talk to Dean Lawyer concerning presenting this to the student body.
